EDUCATION

- **Shri Guru Gobind Singhji Institute Of Engineering And Technology** Nanded, India
Bachelor of Technology - Computer Science Engineering; GPA: 8.65 August 2020 - August 2024
- **Karmaveer Bhaurao Patil Mahavidyalaya** Pandharpur, India
HSC - General Science: Percentage: 82.64% August 2019 - May 2020

SKILLS SUMMARY

- **Languages:** C++, C, JavaScript, HTML, CSS, Python, Java, PHP
- **Frameworks:** Bootstrap, ReactJS, Express.JS, Node.JS, Socket.io
- **Platforms:** Linux, VS Code, Windows, GIT, Github, Jupyter Notebook
- **Databases:** SQL, MongoDB

PROJECTS

- **Discord Bot - LevelUp Bot:**
 - **Description :** It is a discord bot made to send automatic messages on the discord server. It shows the joining time and date of the user in the discord server when the new user joins the server. I used the discord.JS library with Node.JS.
 - **Tech Stack :** Javascript, Node.JS, Discord.JS, API
 - **Link:** LevelUp Bot
- **Code Collab:**
 - **Description :** Code collab is a Real-time code editor that allows us to write code faster and provides online code sharing to a group or an individual using authenticated ID. This online code editor has features like syntax highlighting and code completion that is more similar to the text editor. It involves using HTML, CSS, React JS, Node JS, and Socket IO.
 - **Tech Stack :** Javascript, React.JS, Node.js, Socket.io
 - **Link:** Code Collab

POSITION OF RESPONSIBILITY

- **Core Member of - RNXXG** September 2021 - Present
Robotics For Next Generation - College Robotics Club
 - **Website: rnxxg.co.in/:**
As a core member of RNXXG, I am in charge of the robotics lab and mentoring the juniors. I have contributed to making the club's website and also working on different projects. As an RNXXG team, we have participated in different hackathons and robotics competitions, including the ABU Robocon, an Asia-level robotics competition in which we advanced to the national level. In the recent DD Robocon competition, our team qualified for DD Robocon Finals 2022.
- **Departmental Coordinator (Alumni Relations)** September 2022 - Present
Training and Placement Cell, SGGSIET

I am working as a placement coordinator of the CSE department in our college. Also, working as a superset (ERS Software) operator. Organized various sessions and workshops on the software domain in our college. Under this, I have worked as campus lead at Talent Battle, E-Cell, IIT-Guwahati, Prepybytes, etc.

WORK EXPERIENCE

- **Suvidha Foundation (NGO)** November 2022 - December 2022
Web Development Intern *Intern*

Worked with the team to develop an educational website for the foundation. This site is for 6 to 11 age range students. Implemented HTML, CSS, and Javascript for fronted and designed this site on Figma.
- **Hack Club RAIT** July 2022 - September 2022
OpenSource Contributor *Participant*
 - **Website: Emblish.org/:**
In the journey of this open source contribution, I acquired knowledge about version control systems Git and Github. Merged 10+ pull requests. It also improved the UI of the Emblish site and added various exciting features to the site.

ACHIEVEMENTS & COURSES

- Goldman Sachs Engineering Virtual Program
- Hacktoberfest 2022
- Data Structures and Algorithms in C++
- Responsive Web Design
- Programming for Everybody(Getting Started with Python)
- Flipkart Grid
- Python Guided Path
